The **Birmingham Art Music Alliance** is poised to begin its sixteenth season. A well-established nonprofit organization, the mission of the Alliance is to promote music by Alabama composers and present concerts of recently created contemporary art music throughout the state of Alabama. In addition to our exciting concert series, **The BAMA Players**, professional performing members of the Alliance, are involved in presenting numerous free programs each year in educational institutions and other community venues – all this on a very tight budget!

It takes resources to meet these production values and I am asking you to consider making a contribution to the Alliance by becoming a supporting member. Membership levels are listed on the attached return mail slip. BAMA is a 501(c)(3) nonprofit organization and your contribution is fully tax-deductible. You can also make a secure donation online through Network for Good by clicking on the “Donate Now” button at our web site (www.artmusic.org).

If music is to continue as a living art form, we must encourage the creation and performance of new works. Won't you join us in that effort?

I appreciate your past support and look forward to seeing you at our events this season.

Sincerely,

Brian C. Moon, President
